## CAMPUS CONSTRUCTION

Work Group from PTCC, Amarillo, TX

Installing the Ceiling Lamps

The Mexico Campus multipurpose building continues to take shape. On February 16-19 a group of eleven men from Paramount Terrace Christian Church, Amarillo, Texas came to Colegio for a weekend work trip. The church donated and the men installed all of the lamps in the main area. Pete Beal, our volunteer from Dix, Illinois, also worked with them. Our gratitude to PTCC for their generosity and to these men for their hard work!

## Colegio Biblico Youth Encounter

“The Life You Want to Live” this semester’s Youth Encounter at Colegio Biblico, took place March 31 and April 1 at the Mexico Campus. About 200 youth of Junior High and High School ages from the region participated in this event. The encounter started Friday evening with a worship service in the unfinished multipurpose building, and went on all day Saturday with workshops, sports, games, special music, and fellowship. Professor Noe Soriano and the Rodney Peterson family were the event’s speakers. Colegio’s Youth Encounter takes place each semester, seeking to encourage young people in their Christian walk and to recruit them for ministry.

## WE’RE GETTING CLOSER!

Mexico Campus Multipurpose Building

May is just around the corner and ten students’ GRADUATION is coming with it! Our dream is to have the Mexico Campus multipurpose building ready on time so it can be a fitting site for such an important occasion. The concrete structure is complete, yet there are many things to do before the building is finished: insulation, stucco, paint, doors and windows, floors, bathrooms, kitchen appliances, air conditioning, etc. Your contributions have a very significant impact in the outcome of the building and more importantly, in the lives of Colegio students. So please, send your tax-deductible gift for the Building Fund so we can have the building in shape in time for graduation. We have a short time, but can certainly achieve this with your help!

## PRAYER REQUESTS

Please continue to help us pray for:

- God’s providing to cover cost of operations
- Funds to complete the multipurpose building
- More full-time professors
- Student recruitment among U.S. Hispanics

## CLASS OF 2006

This coming May 12th ten of our students will be celebrating the completion of their studies in a graduation ceremony. Three of the graduating seniors are from the Eagle Pass Campus and seven from the Mexico Campus (one is not pictured). Please keep them in your prayers!
