Youth Encounter 2007

Playing, Praising and Preaching at the Youth Encounter.

“Developing a New Generation,” this year’s Youth Encounter at Colegio Biblico, took place on November 9 and 10 at the Mexico Campus. About 120 youth of Junior High and High School ages from the region participated in this event. Workshops led by Colegio upperclassmen, sports, games, special music, and fellowship were all part of the program. The Encounter started Friday evening and went on all day Saturday. Our guests were also offered meals and housing in the students’ dorms. Guest speaker, Joel Cordova, from Nueva Rosita, Coah. challenged the audience to make a decision to actively serve our God; 17 young people accepted the challenge and one young man received Jesus as Lord and Savior. All the students at the Mexico Campus participated in this event and were greatly blessed. Colegio’s Youth Encounter takes place each year seeking to encourage young people in their Christian walk and to recruit them for ministry.

Work Study Program

All Colegio students are enrolled in the work study program. In exchange for education, room, and meals, they work on campus an average of 20 hours per week. Thank you for your financial support that helps us cover our students’ needs so they can prepare for Christian ministry while they provide labor in various needed areas: yards, furniture repairs, cleaning and concrete work, among others.
