The 2005 Texas Christian Convention took place on November 23-25 in the city of San Antonio. This year's Spanish-speaking convention themed "Victory in the New Millennium" took place at the facilities of Castle Hills Christian Church. Castle Hills Senior Minister and Colegio Biblico Board of Trustees Chairman, Dr. Ed Skidmore, presented a message the opening night and Colegio graduate, Jesus Castillo translated into Spanish. Many of the participants were affiliated with Colegio Biblico, including professor Valdecy DaSilva who taught a workshop and President Jorge Mercado who preached the last night of the event. The convention also included a full program for youth and one for children, who participated with songs during the adults' last evening session. Those attending were mostly from the cities of San Antonio, Dallas, Houston, and Eagle Pass, where last year's convention took place.

## CHRISTMAS GIFTS

Many of our students have little or no financial income and many of them are married and have children. Christmas is just around the corner and we want to provide our students with a nice gift. If you would like to help our students this Christmas, send your special gift to us and write "Student Christmas" on your check's memo line.

During their visits, students participated with music and preaching.

## Colegio Biblico Youth Congress

"Youth in Action," this semester's Youth Congress at Colegio Biblico, took place on November 18 and 19 at the Mexico Campus. About 100 youth of Junior High and High School ages from the region participated in this event. Workshops led by Colegio upperclassmen, sports, games, special music, and fellowship were all part of the program. The Congress started Friday evening and went on all day Saturday. Our guests were also offered meals and housing in the students' dorms. Student leaders challenged the audience to make a decision to actively serve our God; 15 young people accepted the challenge. All the students at the Mexico Campus participated in this event and were greatly blessed. Colegio's Youth Congress takes place each semester, seeking to encourage young people in their Christian walk and to recruit them for ministry.
