During summer the heat is on in southwest Texas. School is out, but work remains to be done at Colegio Biblico. We thank all our brothers and sisters in Christ who have sacrificed time away from home to serve the Lord with their work at Colegio. So far we have received groups from First Christian Church in Seminole, FL and from New Life Church of Christ in Bellville, OH. The group from Florida painted married students apartments on the Mexico Campus and worked in Eagle Pass with a local church, doing VBS. The Ohio group did roofing and painting on the married students apartments on the Mexico Campus.

New Central Office Coordinator

Sabrina Rodriguez is Colegio's new office coordinator

Sabrina Rodriguez is the new office coordinator at Colegio Biblico. When asked about the new job, she said: "I love it! It's a very different experience than I've had at other jobs." Sabrina grew up in Eagle Pass and attends the Christian Church at Garrison. We're happy to have Sabrina as a part of our Colegio family!

OLD DORM DEMOLISHED

Old Girls' Dormitory torn down

One of the old girls' dormitory was demolished because of all the structural damage. Repairing the damage done by termites and humidity would have been more costly than building something new. Our thanks to Pete Beal from Dix, IL who has taken on this project. Colegio administrators hope to build a new small student lounge.

correction

The May issue of the Update stated that Colegio Biblico would be celebrating its 60th graduation ceremony in May 2005. However, although we are currently on the college's 60th year, only 57 graduations have taken place.

Colegio Biblico admits students of any race, color, ethnic or national origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, ethnic or national origin in the administration of its education and admission policies, scholarship, loan, athletic, and other school-administered programs.
