HAPPY THANKSGIVING

From your friends
at Colegio Biblico

Eagle Pass Student Fellowship

October 12 is Columbus Day in the U.S. or "Día de la Raza" in many Latin American countries. To celebrate, Eagle Pass students and their families gathered at President Mercado's home for a special time of fellowship. They had a wonderful time sharing a meal, music, and songs. We thank God for our students and pray He will continue to guide them as they prepare to serve Him.

Local Volunteers Paint Auditorium

Rafael Santana, Abraham Montoya, Antonio Ocegueda, Rafael Santana, Sr., and Marcos Gutierrez with Jorge Mercado.

Eagle Pass residents, Marcos Gutierrez and Rafael Santana, Jr. donated the materials and organized a group of people to paint the exterior and interior of Colegio's auditorium. Among the volunteers were Abraham Montoya, Antonio Ocegueda and Rafael Santana, Sr. Not pictured were Luis A. Garibay, Edy Ortiz and Vicente de León who also volunteered. They completed the project in three days. Our gratitude to these men for their generosity and hard work.

WORKTEAMS on the Border

The increased violence the country of Mexico is experiencing is causing many of our scheduled work groups to cancel their trips to Piedras Negras. This is resulting in less funds and less labor for our construction projects. Although we *are* on the front lines, God has been good in protecting us from any harm. Nevertheless, we understand your hesitation to cross the border into Mexico. That is why we want to encourage you to come stay and work in Eagle Pass where we need a lot of help with maintenance and remodeling. We want to assure you that Eagle Pass, Texas, remains a safe city. We need your help. We pray that the Lord will put in your heart the desire to come to Eagle Pass or send a special offering. We also ask that you will fervently pray for Mexico and our borders, pray against corruption, violence and fear, and pray that the Lord may use his people for his glory.

CCC Work Team

Work Team from Nixa, Missouri.

On October 23-30, a work team of five men from Countryside Christian Church in Nixa, Missouri, came to Colegio Biblico. Led by Rick Johnson, they worked at the Eagle Pass Campus. They painted the married students' apartments stairways and built a playground set for the students' children. The men also repaired some old swings, a see-saw, and six outdoor benches. Our gratitude to our friends from Countryside Christian Church for sharing their time and talents with us.

Student Christmas Gifts

Christmas is just around the corner! Most of our students have little or no financial income and many of them are married and have children. If you would like to help our students this Christmas season, send your special gift to us and write "Student Christmas" on your check's memo line.
