## January Work Teams

On January 18th, a team of 30 men from Compass Christian Church in Coleyville, Texas, came to Colegio's Mexico Campus. The team came prepared to host an event for children. They performed a "magic show" to tell the Gospel story and shared refreshments with everyone. People from the vicinity were invited and about 433 children and adults attended the Sunday evening event.

A work team of 11 from First Christian Church in Fairfield, Illinois, came to Colegio Biblico on January 17 to 24. Led by minister Craig Scott, they worked on a duplex apartment building that will serve as married student housing in the Mexico Campus. They were joined by the team from Compass Christian Church on their first day of work and by volunteer Pete Beal the whole week. Together, they framed the walls and assembled and placed the trusses. The team from Fairfield continued with the decking of walls and roof, and placing felt paper to prepare for roofing. Our gratitude to our January work teams for their generosity and their arduous work!
