CHRISTIAN CONVENTION 2026

The Christian Convention of the Bible College 2026 was held from March 6 to 8 at the Mexico Campus facilities, with the participation of more than 400 attendees from different parts of Mexico and the United States. It was a special time of fellowship and spiritual growth, in which those present gathered with the purpose of honoring and glorifying God.

The guest speaker was Brother Alex Díaz, who shared the theme "Something Extraordinary" during three days of teaching. Through his messages, he encouraged the attendees to deepen their relationship with God and to recognize how He works in extraordinary ways in the life of every believer.

During the convention, there were also moments of praise, prayer, and unity, leaving a significant mark on all who attended. We thank you for your support and invite you to join us in prayer for the ministry of the Bible College. May God bless you.

WORK GROUPS

Markle, Indiana

We want to express our deep gratitude to the church of Markle, Indiana, for all the love, effort, and dedication they gave at the USA Campus, especially in the construction of the new department for single students. Every detail, every moment of work, and every sacrifice reflect a heart willing to serve God and bless others.

Their support has not only left a physical work, but also a great blessing that will impact the lives of many young people. Thank you for sowing with such care in this ministry. We pray that God will bless you abundantly and reward you for all that you have done.

Christian Campus House of Springfield University, MO

We had the pleasant visit of the youth group from Christian Campus House of Springfield University, Missouri, who during their stay actively collaborated in different areas of the Mexico Campus.

We recognize and appreciate their willingness, commitment, and spirit of service, which represented a valuable contribution to the development and strengthening of the ministry's activities, as well as to the enrichment of community life within the campus.
